## Overview

Massage Therapists use various therapeutic touch techniques to manipulate soft tissue muscles of the body to relieve pain, rehabilitate injuries, reduce stress and increase relaxation—it really comes down to making people feel better. Massage therapists can work in a variety of settings, such as Health Clubs and Spas, Chiropractic Offices, Hotels, Cruise ships or even independently! Demand for their services continues to increase as the understanding for holistic care gains popularity.

## What will I be trained to do in the Massage Therapy program?

Upon completion of the Massage Therapy program, the graduate will be eligible to apply for certification as a CMT (Certified Massage Therapist) in the State of California. As a Massage Therapist, you will be trained to help people feel better by:

- Learning the fundamentals of massage
- Learning various modalities
- Gain a working knowledge of the human body
- Basic dietary principles
- Becoming CPR certified
- And more!

## Why take the IBT Massage Therapy program?

- 9 months of training.
- A clinical internship, which allows our students to get practical training in the field in addition to hands-on training in the classroom.
- Graduates are assisted in completion of the required documents for the State of California.
- Financial Aid is available for those who qualify.
- Career placement assistance for graduates.
- Accredited Member ACCSC

## What will I get when I graduate?

- MBLEX Certification (1st test)
- CAMTC Certification (for CA) (1st test)
- Massage Table including a headrest, bolster, carrying case, and set of sheets
- An Aromatherapy kit (oils, dispenser carrying case)
- A Spa Kit (mud, crème, loofa, brush, foil blankets)
